## Another busy week - Inspiring Creative Learners

### Cantley Fun Day 2023!

What a fantastic day everyone had at Cantley Fun Day on Saturday. A massive thank you to Micahel Zouvani for taking the lead of planning the event and making it as fantastic as it was. Thank you to everyone who came along and supported the event for the village or volunteered to raise money for the CSA.

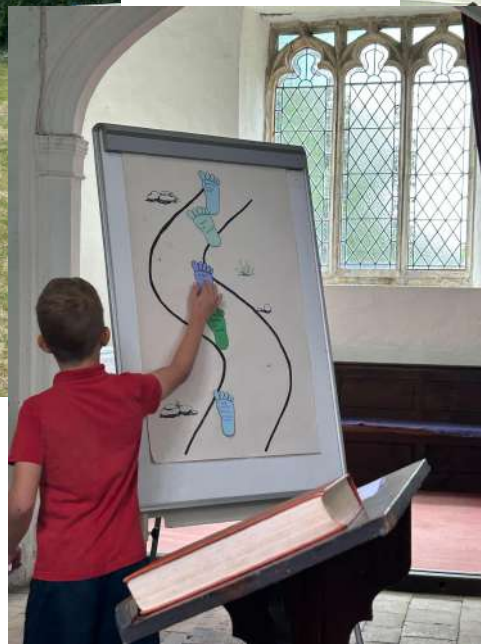

'Inspiring Creative Learners.'

## Year 6 Leavers 2023

Today, we have wished our Year 6 pupils a 'goodbye and good luck' as they come to the end of their Primary journey. It has been an absolute joy to watch this group of children mature into the young people they have over their time at Cantley Primary School. They have made us laugh, made us proud and shown a resilience much needed for their journey ahead. They are truly high school ready and we look forward to hearing of the amazing things they achieve in the future. Have fun in the Isle of Wight those who are going and lots more fun for those staying at school next week.

## **Cantley PTFA (CSA)**

### **Date for your diary; 19th September @ 2.45pm - Coffee and Cake drop in**

A massive thank you to the CSA for all the funds they have generated this year. The money raised has helped contribute towards trips, coaches for swimming, fun day events for Year 6, new play equipment and much more.

In the current climate, with continued costs rising for schools, the money generated from Parent, Teacher, Friends Associations like the CSA are essential.

In September we will be hosting a 'drop in' Coffee and Cake for both current members and anybody interested in ways they can help the CSA or join the committee. Please spread the word as the more volunteers we can generate the more events we can hold for our children as well as money raising. We are not asking for huge commitments, it might be offering to bake a cake once a term for the cake raffle, selling ice lollies/cakes at the end of the day on the playground, selling old uniforms or helping at the school disco, fete or Village Fun Day.

## Puffin

Happy graduation to our Puffin Preschoolers!

A lovely day last Friday celebrating the near-end of an amazing academic year ✨  
We are so proud of our Pre Reception children and wish them all the luck in the world for their adventures in Reception! We are all so proud of you!

## Springbok

This week we have been learning all about Judaism and the children have had such great learning attitudes. The children made Challah bread and we celebrated Shabbat with wine\* and our handmade bread. The children made their very own Torah scroll and listened to the Torah being sung at a Bat Mitzvah. The children made their own prayer mat and we looked inside a Synagogue. We have been particularly interested in looking for the similarities with all religions and faiths, instead of the differences. The children remarked that regardless of your religion it's important we all understand each other and show kindness.

Next Tuesday Year 2 (only) will have an activity afternoon planned, in line with the Coastal Together trips and residential. Please send the children in with a change of scruffy old clothes and a towel. Any questions please ask Mrs Singleton.

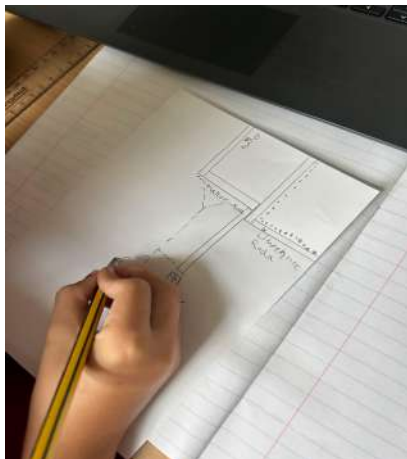

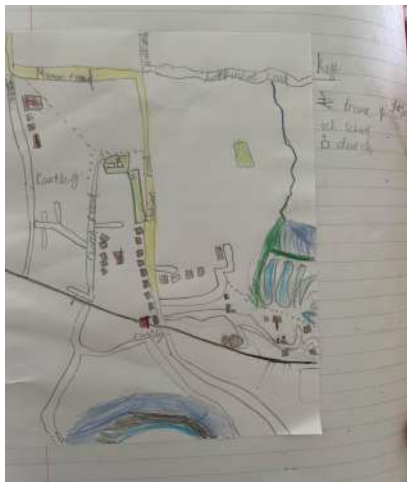

Also on Tuesday at 3pm, we will all be performing a special end of year song to all parents. Bring tissues, it could get emotional!

## Vixen

As we're nearing the end of the school year, we've been wrapping up a lot of our learning. Vixen wrote some lovely non-chronological reports about the Norfolk broads, their history and uses. We learnt that the broads are actually manmade and we were surprised to find out they have over 7 million visitors a year!

In geography, our focus has been on mapwork and our local area. Looking at ordnance survey maps and the key, we have identified different objects and places. Following this, we created our own maps of Cantley. They had to show important details such as the school, church and train station. Vixen worked diligently to make their maps as accurate as possible and look at how amazing they look!

We also completed some competition art pieces based on the Norfolk broads. These looked absolutely incredible (unfortunately we have no pictures) but it was lovely to see the different areas of the broads. They were excellent drawings of wildlife, sailing boats and wind pumps. As soon as I saw them, they inspired thoughts of the broads. It was an excellent opportunity and I look forward to seeing the results of the judging!

## Firefly

What an amazing penultimate week! And, for some of our fabulous Year 6s, the final week of their time at Cantley Primary School, oh boy has it been a good one!

Firefly embarked on a magical adventure when they all received their summons to attend Hogwarts School of Witchcraft and Wizardry.

When they arrived at Hogwarts, they were soon sorted into their houses where they stayed for the week, competing in competitions, brewing some delicious butterbeer, designing and constructing boxes for Bertie Botts Every Flavour Beans, getting close and personal with dragon eyes and so much more.

I think the best part of this week, however, was getting to play our very own matches of Quidditch! The children had a lot of fun and giggles flying on their magical broomsticks trying to catch the golden snitch! During the year 6 fun day, year 5's wrote fantastic recounts of the matches using passive voice!

The class have been unbelievable this week as they have worked hard, tapped into their creativity, imagination and most of all, had fun! I am so proud of everything they have achieved this academic year. Each week they have worked harder, showed greater determination and built up their resilience. Well done, Firefly. You are simply the best.

And finally, a super special well done and good luck to the year 6 pupils heading off on the Isle of Wight trip on Monday. I hope you have the *time of your life*!

# Attendance/Safeguarding

Attendance target set by the government = 96.6%

ent updated Cantley Primary School attendance this term to date = 94.64%

**We are delighted to announce that at the end of the Summer Term one lucky child with good - 98% or above - attendance for the term will be picked at random to win a Kindle tablet which will be theirs to keep!**

The class with the highest attendance this week was Vixen 91.68%

**PLEASE ensure that all holidays are taken during the designated holiday time.**

## Holidays During Term Time

All in-term holiday requests will be classed as unauthorised absences. This will likely result in a fixed penalty notice being issued from Norfolk County Council.

In Norfolk, penalty notices are issued in accordance with the Norfolk Local Protocol. In all cases a penalty notice can only be issued if the pupil has accrued at least 9 sessions (4.5 school days) of unauthorised absence within the previous 6 school weeks. This would result in a fine of £60 per child per parent ie; for a family with 2 children this would total £240

The leaflet below has more information about fixed penalty notices.
